## SHELTER BUSINESS

What a fantastic day it has been here at the SPCA Cincinnati!

Today was truly a team effort. Thank you for your contribution. There is some very exciting and special news to share! Here is a message from our President and CEO, Jake White:

“I thank you for all of your patience, support and assistance with the K9 Expansion Project, the Pet Valu area and the Dunkin’ Dog Room. I know the dirt, debris, decibels and disorder has made work interesting. As a way of saying ‘Thank You’, please accept the gift of one (1) additional PTO day. It has already been added to your Bamboo account as a Comp Day.

This is a regular PTO Day, so please make sure that you follow the same policies as your typical PTO for fulltime work.

To our part-time team members, this opportunity is extended to you as well – just make sure your supervisor is updated and agrees to your time off too. Enjoy!”

—Jake White, President and CEO

**Thank you for all that you do at the SPCA Cincinnati!**
